UG Admission for the session 2026-27

Direct Admission in all subjects (including Microbiology)

Dated: 9th July, 2026

In view of few newly created vacant seats, it has been decided to reopen Direct Admission in all subjects (including Microbiology Major) on 10 July, 2026 from 10 am onwards. Direct Admission in all other subjects will also remain open as it was.

Eligible candidates, including those who applied earlier, may now apply and take admission directly on a first-come first-served basis as long as seats are available.
